

OUR EVENTS

AND INFORMATION ABOUT OUR YOUTH COUNCIL AND P&C GROUP

At Fostering Solutions South we host regular events for our young people including birth children and foster carers and families. We have a diary of all our upcoming 2023 events which include an Easter event, summer picnics, a beach clean, a Positivity Day, a Wellbeing Day, social events, a Halloween party and a Christmas party.

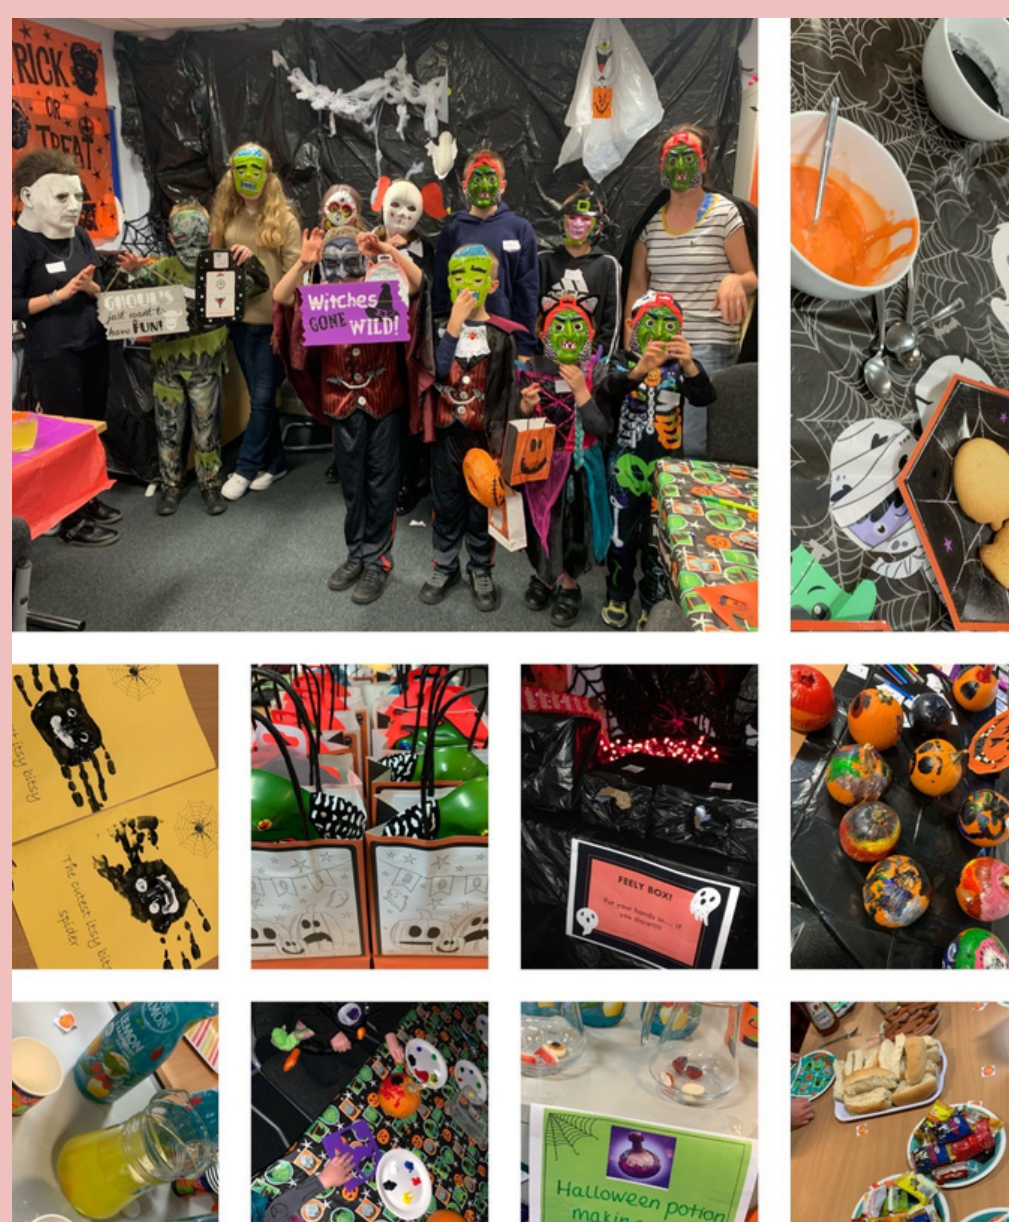

HERE ARE SOME OF OUR RECENT EVENTS OF 2022 AND 2023

"I would like to thank all the Fostering Solutions staff and the fantastic Fire Service that gave up their time today to both educate and entertain my boys. I can honestly say they had a really fantastic time and haven't stopped buzzing with excitement since. Thank you once again for a great time!"

At Fostering Solutions South we have a Youth Council where children and young people work closely with us to be involved in shaping our service. It is important that our young people's voices are heard and we empower them to influence decisions alongside planning activities to have fun.

At FSS we feel it is important to support our Parent and Child Carers (P&C) and have recently launched our support group. This is for P&C carers and their groups are held quarterly (two face to face and two virtually).
