CULTURAL FESTIVAL

We held a Cultural Festival in June at our office in Winchester which was been planned with the help of our fantastic Youth Council. Despite a bit of rain early on we were joined by lots of foster carers and children and had a great day outdoors. Here are some photos of the day

We had a wonderful time tasting 15 foods from around the world, some of the children tried many of the samples, we also had River Nile Play, French Castles the sand play, Bollywood dancing, Euro 2024 sweepstake (keep an eye out for the winning team and whoever picked this will be sent a prize!

The sensory walk was so much fun and there were staff, children and foster carers all getting involved.

We had 'learn how to use chopsticks with noodles, aboriginal dot painting and face masks, a flag quiz, English Tea Party stand and an American Independence stand as this is on 4th July - the children particularly loved the Oreos and marshmallows! and much much more.

Our Youth Council got involved in the setting up - thank you so much to all who helped! They made a poster and we wanted to get lots of children and young people letting us know how they are helped to celebrate their culture. All children received a certificate and a goody bag at the end of the event.

The day was brilliant and we loved seeing so many of you there.
