We have lots of foster carers across the UK. They look after children and young people just like you, to make sure you are happy and safe.

Your Local Authority social worker will still visit you at your new foster home and will speak to your foster carer and social worker to make sure you are ok.

My Family

There may be lots of different reasons why you are not living with your family at this time, but we know that they are still very important to you.

Your social worker and foster carer will help you to understand why decisions are made and what happens now. You may be missing your friends and family and wonder when you will be able to see them again.

Talk to your social worker and your foster carer about this and if you can visit, telephone, email or write to friends and family.

My religion

If you would like to go to a church, a mosque, a synagogue or any other place to practice your faith, your foster carer or social worker will help you.
